

# **xLath™ Heat Exchange Module HXM1624G30 specification**

**xLath™** illustration:

Nominal Size: 16" x 24"  
Module Size: 16 13/16" x 23 7/8"  
Module Height: 3/4"  
Module Material: 30 gauge G30 galvanized steel  
Alternative coatings available  
Also available in aluminum  
Tube Groove: 5/8" for 1/2" PEX

Heat exchange capacity:

Module Profile:

CSI Masterformat:

Section 13080 Sound, Vibration and Seismic Control  
Section 15760 Terminal Heating and Cooling Unit, Finned – Tube Radiation

Protection:

Patent and Trademark Pending
